The St. Clair Coney Island is an all-American restaurant located on the South side of the Riverview Plaza. They have existed for over 50 years. On June 1st, 2023, Coney Island was purchased by Lisa & Andy Bennett with their son, Andrew, and his wife, Lindsey as a business adventure. Lisa and Andy have 5 children and 4 grandkids ranging from 9 months to 6 years old. The family enjoys spending time with one another every chance they get and playing with their new puppy, Duke.

Lisa grew up in Fraser with her mom and 2 sisters and moved to the St. Clair area in 2000. The rest of the family all grew up in St. Clair with Andy and Andrew regularly visiting their favorite Coney Island to eat. This gave Andy and Andrew the idea of purchasing the business when it became available.

Retired from her 28-year career in plastics, Lisa now manages and cooks for the restaurant daily. When Andy and Andrew are not at the restaurant they work in the trades. Lindsey is a chiropractor in Lexington and owns her business, Ember Health, and Wellness. All four owners have many years of restaurant experience and Lisa has received her certificate in Food Protection Management.

The Coney restaurant has been recently renovated with comfortable seating and a bright, cozy atmosphere with more room for their customers. The loyal staff are ready to greet you with a welcome smile and are eager to serve you!

The Coney is famous for their quality coney dogs and specialty sauce, but it does not stop there. They offer breakfast and lunch all day. On Friday nights from 4 to 7 pm, they offer their custom hand-dipped cod dinner with a choice of soup or salad and a vegetable with a side. Don't forget to check for daily specials on their Facebook page. Their attentive staff, quality food, and affordable prices set them apart. Their normal hours of operation are 7 am to 2 pm, with later hours on Mondays and Fridays from 7 am to 7 pm.

Moving forward the St. Clair Coney is eager for the chance and opportunity to volunteer, support, and serve their community needs.

Their mission is "Keeping it small-town" while serving quality food and service to our community. So, get on down to grab a bite to eat and say "Hi" to the owners, they are excited to meet you!
